Colours: Light Grey, Dark Grey

SOFTLY SHAPED MULTIROOM

[FULL DESCRIPTION]

ADDON A10

A speaker with a modest footprint and rounded design, that makes a space savvy addition to the smaller room. The fabric front perfectly complements modern interior design trends with the choice of two shades of grey, allowing a complete colour-match for your home.

The speaker has an astonishing sound, despite its compact size. The unconventional use of a dedicated woofer, and the BMR technique makes it possible to get both deep bass as well as clear details in your highs and midrange.

MULTIROOM

Multiroom sound and multi person usage. Group and play, play all together or not. You choose.

APP CONTROL

It's easy to use. We know everybody says this, but this app truly is. From lightning fast setup to using, it's all smooth sailing.

TOP 3 FEATURES:

WIRELESS MULTIROOM AND BLUETOOTH

Wireless multiroom and bluetooth in compact size. Multiroom sound and multi person usage.

WIFI PRESETS

4 presets give you easy access to your favourite playlists and radio channels.

WALL-MOUNTABLE

The A10 can be mounted on a wall. Wall brackets are sold separately.
